Dear Lin,

Thank you for your kind words regarding my childhood experiences. The responses I have received from across the country have been very supportive and I appreciate hearing from you.

I admire your devotion to those who have suffered from abuse. Looking back, I understand how fortunate I was to have had people in my life who pushed me in the right direction. I applaud your efforts to work with victims and to encourage them to find their voices and come to terms with their own stories. Your work is challenging, but you are making a critical difference.

Thank you again for sharing your thoughts and experience with me. If I can be of further assistance, please do not hesitate to contact me.

Sincerely,
